

Sermon Notes 2023

Kian Hwee

Last updated: January 2, 2023, 2:48pm

Foreword

Herein contains my summary of the sermons for 2023. These sermons notes are mostly typed out during the sermon as the pastor preaches. Sometimes I will add in some of my own clarifications/notes/thoughts to the points given by the pastors, hence one can safely assume that any theological errors found herein are to be attributed to me, not the pastors.
